Dear Richard,

**EXTENSION OF TIME LIMIT FOR SUBMISSION OF PIPELINE LICENCE 7
FITNESS FOR PURPOSE REPORT.**

I refer to your letter, received 27 April 2004, requesting an extension for the submission of the PL7 Fitness for Purpose Report to 28 February 2005. I understand that this extension will ensure that results from the metal-loss pigging project, being conducted in May-June 2004, will be included in the fitness for purpose assessment.

Pursuant to section 134 of the *Petroleum Act 2000*, I hereby extend the period for submission of the PL7 Fitness for Purpose Report to 28 February 2005 as requested.

If you have any queries regarding this please contact Belinda Close on 8463 3239 or close.belinda@saugov.sa.gov.au.

Yours sincerely,

**TERRY AUST
