Dear Mr Walker

**RE: PIPELINE LICENCE NO. 8**

I advise that pursuant to section 74 of the *Petroleum Act 2000*, I hereby classify all regulated activities undertaken within Pipeline Licence No. 8 as requiring a low level of official supervision.

I also determine that in accordance with s.74(5) of the Act, having classified regulated activities carried out in respect of Pipeline Licence 8 as requiring a low level of official supervision, the annual licence fee payable is reduced by the maximum allowable of 50%.

Yours sincerely
