Dear Suzanne,

Re - Regulation 14 - Statement of Environmental Objectives (SEO) – Request for 5 Yearly Review – Extension Request

DSD on the 21 October 2016 received a request from Senex Energy Ltd for an extension date of the **30 April 2017** for the submission of the *Cooper Basin Production Operations - Gibber Uplands Environmental Impact Report (EIR) and SEO* five year review documents. This request was for DSD to provide Senex Energy Ltd with additional time to enable further review, consultation and finalisation of the revised SEO and EIR documents to ensure they meet DSD expectations.

DSD are prepared to grant the extension for the submission of the ***Cooper Basin Production Operations - Gibber Uplands EIR and SEO*** to the proposed date of **30 April 2017**.

It is expected that these documents will have been consulted on with relevant stakeholders prior to formal submission to DSD for consideration under the *Petroleum and Geothermal Energy Act 2000*.

If you have any queries in relation to this matter please contact Jarrod Spencer via email at jarrod.spencer2@sa.gov.au or on (08) 8463 3588.

Yours sincerely,
