Dear Sir/Madam

**Pipeline (PL) 2 – Moomba to Port Bonython Liquids Pipeline
Request for Due Date Extension - 2017 Fitness for Purpose Report**

The purpose of this letter is to seek an extension to the due date for the submission of the Pipeline (PL) 2 2017 Fitness for Purpose report.

The granting of the extension would provide due date alignment for the Fitness for Purpose reporting for Pipeline 1 and Pipeline 2. It is confirmed that Pipeline 2 will be fit for purpose during the period subject to the extension.

The report is currently due in December 2017. A new submission due date of 30 April 2018 is requested.

Please call me on 08 8116 5873 with any queries.

Yours Sincerely,

A handwritten signature in blue ink, appearing to be "S. Correll", written over a light blue horizontal line.

Sam Correll
Manager Port Bonython
