Dear Alecia,

### **PIPELINE LICENCE (PL) 20 – Annual Reporting and Submission Timeframes**

I refer to your letter dated 24 July 2014, seeking approval for a change to the reporting period and submission timeframes for PL 20 Annual Reports.

I note that this request has been made in order to facilitate internal efficiencies and ease of management so that the annual report in relation to PL 20 is due for submission at the same time as other SACBJV Annual Reports.

In accordance with Section 134 of the *Petroleum and Geothermal Energy Act 2000*, Regulation 33(1) of the *Petroleum and Geothermal Regulations 2013* and pursuant to an instrument of sub delegation dated 21 September 2012, I hereby approve:

- An extension of time to allow Santos to report on a calendar year basis for PL 20 with submission of the Annual Report due for submission by 31 March each year.

The next annual report in relation to PL 20 covering the period 13 March 2014 - 31 December 2014 is now due for submission to the Department of State Development by 31 March 2015 and should be submitted to [DSD.Compliance@sa.gov.au](mailto:DSD.Compliance@sa.gov.au)

Please note that the above approval will be periodically reviewed and may be revoked at any time.

Should you require any further information with regards to this approval, please contact Ms Lee Kinnear Executive Officer, Compliance Committee on (08) 8226 5003 or by email at [lee.kinnear@sa.gov.au](mailto:lee.kinnear@sa.gov.au).

Yours sincerely
