Dear Glenn,

**Extension Approval - 5 Year Review – The Riverland Pipeline Statement of Environmental Objectives (SEO), PL 06, October 2010.**

I refer to your letter dated 5<sup>th</sup> August 2015 requesting approval to extend the 5 year review of the Riverland Pipeline SEO, PL 06, October 2010, which was originally due on 14<sup>th</sup> August 2015. Pursuant to Section 134 (1) of the *Petroleum and Geothermal Energy Act 2000*, I hereby grant an extension to the proposed date of 28<sup>th</sup> August 2015.

This extension has been provided on the basis that further time is required to undertake an amalgamation of the EIR's and SEO's for both PL06 and PL11 to create one SEO. APA Group propose that a combined EIR and a combined SEO for the entire Riverland to Mildura Pipeline would provide greater efficiencies for all stakeholders in assessing, reviewing and administering these documents, as well as managing the requirements and expectations from them. The revised documents are to be submitted in draft form to DSD by COB 28<sup>th</sup> August 2015.

If you have any queries in relation to this matter please contact Jarrod Spencer, Senior Environmental Compliance Officer on (08) 8463 3588.

Yours sincerely,
