Dear Andrew

**EXTENSION OF TIME LIMIT TO SUBMIT TERM 1 YEAR 4 ANNUAL REPORT – GELs
294 and 295**

I refer to your email received on 22 April 2016 requesting an extension of time limit for the submission of the Term 1 Year 4 Annual Report (covering the period 8 February 2015 to 7 February 2016) for Geothermal Energy Licences GELs 294 and 295 from the current due date of 7 April 2016 to 8 June 2016.

The request for the extension of time has been reviewed by the Energy Resources Division Compliance Committee and it has been determined that an extension to 8 June 2016 is too lengthy. As such, I propose that the submission date of the Term 1 Year 4 Annual Report be extended by 2 weeks from the date of your request, being the 22 April 2016.

I hereby grant, pursuant to Section 134(1) of the *Petroleum and Geothermal Energy Act 2000*, an extension of time for the submission of the Term 1 year 4 Annual Report for GELs 294 and 295. The Year 4 Annual Report is now due for submission by 6 May 2016.

Please ensure your completed report is submitted to the Department of State Development by email at DSD.Compliance@sa.gov.au.

If you have any questions regarding annual report submission, please contact Ms Allison Harris, A/Executive Officer Compliance Committee on (08) 8463 3206 or by email at Allison.Harris2@sa.gov.au.

Yours sincerely
