Dear Jackleen,

Extension of time for completion of Emergency Response Exercise (ERE) for Pipeline Licences (PLs) 6 and 11

I refer to your email dated 28 June 2010 requesting an extension of time to complete the ERE for PLs 6 and 11, due 30 June 2010 in accordance with Regulation 31(3) of the *Petroleum and Geothermal Energy Act 2000* (PGE Act). This extension was requested as APT O&M Services Pty Ltd is currently consolidating existing individual pipeline emergency response plans into one plan, and will ensure the ERE is carried out in accordance with the new plan.

Pursuant to Section 134 of the PGE Act, I hereby grant an extension of time for completion of the ERE for PLs 6 and 11 to 30 September 2010. This extension acknowledges that APT O&M conducted an informal ERE for PLs 6 and 11 in June 2009, and a formal ERE for PL16 in December 2009.

If you have any queries in relation to this matter please contact Belinda Hayter on (08) 8463 3239 or Belinda.hayter@sa.gov.au

Yours sincerely
