Dear John,

ANNUAL REPORTING FOR PIPELINE LICENCE (PL) 16 – SESA PIPELINE

At the quarterly interface meeting held between Origin Energy Asset Management (OEAM) and PIRSA on the 27th October 2005, OEAM advised that it would be preferable for annual reports for PL16 to be based on calendar years, to be in line with PL 6 and PL11 reporting periods.

Pursuant to Section 134 of the *Petroleum Act 2000*, I hereby grant approval for annual reporting for PL16 to be in calendar years, due within 3 months following the end of each year. Annual reports for PL16 will therefore be due 31st March each year.

If you have any questions regarding this matter please contact Belinda Close on (08) 8463 3239 or close.belinda@saugov.sa.gov.au.

Yours sincerely

BARRY GOLDSTEIN
