Dear Peter,

**EXTENSION OF TIME FOR COMPLETION OF EMERGENCY RESPONSE
EXERCISE FOR PIPELINE LICENCE 2 (PL2)**

I refer to Epic Energy's letter dated 27 February 2012 requesting an extension of time to complete the two yearly Emergency Response Exercise (ERE) for the Moomba to Port Bonython Liquids Pipeline (PL2), currently due 14 April 2012.

Pursuant to Section 134 of the *Petroleum and Geothermal Energy Act 2000*, I hereby grant an extension of time to allow the PL 2 ERE to be completed by 14 June 2012. This extension of time is given to enable Santos and Epic Energy to finalise changes to the current Emergency Response Manual prior to undertaking the exercise. Please note that in accordance with Petroleum Regulation 31, a written report for this exercise must be submitted to DMITRE within two months after its completion.

If you have any queries in relation to this matter please contact Michael Jarosz on (08) 8463 3245 or Michael.Jarosz@sa.gov.au

Yours sincerely
