Dear Liz,

**Extension Approval - 5 Year Review – Port Campbell to Adelaide Pipeline
Statement of Environmental Objectives (SEO), PL 13, December 2009.**

I refer to your letter dated 23rd October 2014 requesting approval to extend the 5 year review of the Port Campbell to Adelaide Pipeline SEO, PL 13, December 2009, which was originally due on 17th December 2014. Pursuant to Section 134 (1) of the *Petroleum and Geothermal Energy Act 2000*, I hereby grant an extension of the time specified to six months.

This extension has been provided on the basis that further time is required to undertake a comprehensive consolidation of the Environmental Impact Report and SEO. The revised documents are to be submitted to DSD by COB 31st July 2015.

If you have any queries in relation to this matter please contact Dale Wenham, Principal Environmental Adviser on (08) 8463 7080.

Yours sincerely,
