Dear Trevor,

**EXTENSION OF TIME FOR COMPLETION OF EMERGENCY RESPONSE
EXERCISE FOR PIPELINE LICENCE 2 (PL 2)**

I refer to Epic Energy's email dated 25 May 2012 requesting a further extension of time to complete the two yearly Emergency Response Exercise (ERE) for the Moomba to Port Bonython Liquids Pipeline (PL 2), currently due 14 June 2012.

Pursuant to Section 134 of the *Petroleum and Geothermal Energy Act 2000*, I hereby grant an extension of time to allow the PL 2 ERE to be completed by 31 July 2012. This second extension of time is given to allow key persons from both Santos and Epic Energy to participate in the Emergency Response Exercise. Please note that in accordance with Petroleum Regulation 31, a written report for this exercise must be submitted to DMITRE within two months after its completion.

If you have any queries in relation to this matter please contact Michael Malavazos on (08) 8463 3245 or Michael.Malavazos@sa.gov.au.

Yours sincerely
