Dear Brooke,

Re: Extension for submission request - Fitness for Purpose Report for PL6 & PL11

I refer to the correspondence received from APA Group on 29 August 2018 requesting an extension of time for the completion and submission of the five-yearly Fitness for Purpose (FFP) Assessment Report for Pipeline Licences (PL) 6 and 11.

Pursuant to Section 134 of the *Petroleum and Geothermal Energy Act 2000*, I hereby grant an extension of time to allow the APA Group to complete the FFP Assessment, with the report being due by 28 September 2018.

If you have any queries in relation to this matter, please contact William Hughson on (08) 8429 2486 or william.hughson@sa.gov.au.

Yours sincerely,
